

Press release:

Chandra Asri Petrochemical Supports Banten Police in Building Construction

Serang, 29 August 2019 - PT Chandra Asri Petrochemical Tbk (CAP) signs a Momerandum of Understanding (MoU) with Banten Regional Police (Polda) on building construction Banten Police Headquarter (Mapolda). This support is to help Banten Police enhance its public service, as part of CAP's commitment to be Banten Province's growth partner.

"We are proud to contribute to Banten Police enhance their public service facility through this development of their annex building," said Suryandi, Director of CAP. "As one of the companies with operations in Banten area, and holding the status of a national vital object, we believe that this building construction will strengthen Banten Police in maintaining public safety and building a conducive climate for industry growth in Banten area," Suryandi added.

The support is also part of CAP's priorities to give back to the society of Banten and its surrounding communities. CAP believes that business growth must go hand in hand with enhancement of quality of life, welfare, and public safety.

Previously in 2015, CAP also supported Polda Banten with donation of 10 motorcycle units to support police operations in keeping public safety and comfort.

About CAP

CAP, a subsidiary of PT Barito Pacific Tbk as the majority shareholders, is Indonesia's largest integrated petrochemical company producing olefins and polyolefins. CAP incorporates state-of-the-art technologies and supporting facilities located in Cilegon and Serang of Banten Province. CAP is the only producer who operates a naphtha cracker, and is the sole domestic producer of ethylene, styrene monomer and butadiene. In addition, CAP is also the largest polypropylene producer in Indonesia. CAP produces plastic raw materials and chemicals used for packaging products, pipes, automotive, electronics, etc. For more information, please visit www.chandra-asri.com.
